

The *Simple-Smart* MCA Cart is designed for use with the Motion C5 and Panasonic Toughbook H1.

■ **Simplicity of Design**

- Delivered flat-packed for easy storage.
- Quick and easy to assemble.
- Integration of the MCA takes minutes!

■ **Easy to Clean**

- Smooth surfaces with all areas easily accessible for cleaning.

■ **Flexibility**

- Height-adjustable for use whilst sitting or standing.
- Storage tray for documents.
- Highly manoeuvrable.

■ **Rugged Construction**

- High-performance, impact resistant table top.
- Ultra-tough aluminium base to withstand the demands of a busy work environment.

■ **Security**

- Secure fixing points for the MCA's docking station.
